TEACHER'S CREED Edwin Osgood Grover (1870-)

I believe in boys and girls, the men and women of a great tomorrow; that whatsoever the boy soweth the man shall reap. I believe in the curse of ignorance; in the efficacy of schools; in the dignity of teaching, and in the joy of serving others.

I believe in wisdom as revealed in human lives as well as in the pages of the printed book; in lessons taught, not so much by precept as by example; in ability to work with the hands as well as to think with the head; in everything that makes life large and lovely.

TEACHER'S CREED Edwin Osgood Grover (1870-)

I believe in beauty in the schoolroom, in the home, in daily life, and out-of-doors. I believe in laughter; in love; in faith; in all ideals and distant hopes that lure us on. I believe that every hour of every day we receive a just reward for all we are and all we do. I believe in the present and its opportunities; in the future and its promises; and in the divine joy of living.

The word "unity" became the motto of the 1980 Eagles football team, and each player demonstrated it in every way possible. Victory was the goal, but defeat was also accepted with Eagle pride. The team worked hard and gave the games everything they had. It paid off as our mighty Eagles beat their county rivals, the Hendersonville Bearcats, for the second consecutive year by a score of 13-7. But it wasn't until the tragic injury of tight-end Bill Shipman in the game against the Pisgah Bears that the team, along with the entire school and community, pulled together and fought with strength and spirit like never before. At the next game, Eagle fans everywhere waved their spirited green and white flags as they cheered the Eagles on to a 20-0 victory over the Enka Jets. The spirit continued as the weeks passed, and the season ended with a 6-4 record and a ranking of 4th in the conference. Congratulations Eagles on a wellfought season!

Deborah Waynette Patterson Tabor

The 1981 school year has brought many things. Memories of the presidential election, Mrs. Foster's retirement, the hostage crisis, Bill Shipman's injury, the death of John Lennon, sock-hops, and those wonderful semester exams. All are important to each of us and helped to make this year one we'll never forget.

As editor of the 1981 Highlander, I've seen all the hard work put forth by each annual staff member in order to make this book the best one yet. We've had our problems and run into several dead ends, but as all the dust begins to settle we realize that all the work was worthwhile.

I would personally like to thank Renee Ireson, Billy Brackett, and Lisa Vitale for being at my right hand and for bailing me out when I got stuck and felt I would never get through. I would also like to thank each one of you for making this year a success.

To each senior, I wish you the best in whatever you choose for the future. To the juniors and sophomores, make the best of your remaining years at East. You'll never regret it.

Sincerely, Claire Lockaby
